RE: Application of Duke Energy Carolinas, LLC for Adjustment of Rates and Charges Applicable to Electric Utility Service in North Carolina Docket No. E-7, Sub 1146

Dear Ms. Jarvis:

On July 27, 2018, the Commission issued its *Order Approving Compliance Filing and Change in Rates* in connection with the referenced matter. Since that time and after consultation with the Public Staff, Duke Energy Carolinas, LLC ("DEC") has identified changes needed to its Fuel Cost Adjustment Rider (NC) in order for municipal customers on lighting Schedules GL and PL to remain fuel neutral from the fuel rate changes otherwise effective August 1, 2018. Accordingly, I enclose a redlined and clean version of DEC's revised Fuel Cost Adjustment Rider, along with a revised Summary of Rider Adjustments to reflect these revisions, for filing and approval by the Commission. DEC will hand deliver five (5) copies of the rate schedules to the Clerk's office tomorrow.

Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,

Lawrence B. Somers
