CAMPGROUND AND MARINA
RIDER CM

AVAILABILITY

This Rider is available in conjunction with Company's General Service Schedules or with Company's Seasonal or Intermittent Service Schedule for electricity used on property operated as a campground or marina. Electric service provided hereunder to a campground or marina may be resold by Customer to campsite and/or marina slip occupants provided that such campground is operated primarily to serve transient occupants and further provided Customers operating such campgrounds and/or marinas: (1) charge no more than the actual cost of the electricity supplied to Customer from Company, (2) the amount of electricity used by each campsite or marina slip occupant is measured by Customer's individual metering device, (3) the applicable rates charged by Customer are prominently displayed at or near each campsite or marina slip, and (4) Customer only resells electricity to campsite and/or marina slip occupants.

This Rider is not available for: (1) short term, construction, temporary, breakdown, backup, or standby service; (2) redistribution of electricity for resale by other than campgrounds or marinas; or (3) resale of electricity to other than campsite and/or marina slip occupants.

The provisions of the Schedule with which this Rider is used are modified only as shown herein.
